

LET US HELP YOU PAIR YOUR BLUETOOTH TO YOUR CAR!

In preparation of the new Massachusetts Hands-Free Law, which will make it illegal to possess your cell phone at any point while stopped or moving in an active lane, the Tisbury Police Department would like to help those that may not know how to pair their phone to their cars.

Not all cars have this function, but either way we will try to help!

Who: Anyone who wants to connect their phone to their car

What: Bring your cell phone and your vehicle

Where: Tisbury Senior Center

When: Every Thursday starting on January 23rd, from 10am-11am

Why: New law taking effect on February 23rd, requiring hands-free

operation of a cell phone while driving
